

# INVITATION

Chamber of Commerce and Industry of Slovenia  
Dimičeva 13, Ljubljana, 1504, Slovenia

## DigitalVisegrad 4 Europe

**January 18, 2018, 12.30-17.00, Ljubljana,**

The event aims to highlight the digital development and capacities in the region and to connect the digital stakeholders from Slovenia and the Visegrad countries in order to find complementary possibilities both in development and businesses for a most competitive Europe. The event gives the floor both to leading experts of the digital industries and decision makers of digital agenda of the government from V4 + SI countries. There will be the opportunity to join a panel discussions on the next challenges of the digital economy such as Smart Government and Smart Region.

Companies operating in the sectors of Mobility and Autonomous Driving, Smart Community and Smart City, Smart Agriculture and -Food sector will gather in the framework of a plenary session and further business-to-business and business-to-government networks. The Conference will be organized with the support of the Ministry of Foreign Affairs and Trade of Hungary, Slovene Digital Coalition, Slovenian Chamber of Commerce and Industry.

The final agenda and details will be sent later. Language: English
